**Costs & Fee**

Graphic safety can assemble a customized workbook for you, create a customized cover page and include your logo for a one-time fee of \$250.00. Customization and illustration can be achieved at a negotiated rate based on \$65.00 per hour. This fee may be waived if a large enough volume of workbooks are committed for purchase by the customer.

**Approximate Due Date:**

**Digital Rights are not offered nor expressed:** Graphic safety retains all rights to information and illustrations created by Graphic safety. Illustrations are to be utilized in Workbook publications only, unless a separate agreement is reached. Companies who commission the creation/customization of a workbook do not own any part of the workbook, save their own logo and pictures provided. Illustrations derived from those pictures, by Graphic Safety, are the property of Graphic Safety. Illustrations are licensed for your use, only within the publication created, whether physical or digital. Graphic Safety intends to sell you hard-copy, published materials only. Scanning and copying is prohibited.
